**Exalted Ruler's Message**

**By Virginia Basil**

So I am doing the happy dance right now! We were awarded a grant from the CARES act through Pacific County. This is going to help offset some of our costs incurred while the COVID restrictions are being enforced. Thank our County Commissioners when you see them.

The District Deputy team was here and looked over the building and our books. This is an annual "audit" and we did quite well. We need to change the way we do some things, but all in all they really are here to help the organization.

The Lodge is proud to honor our Veterans; not only on Veterans Day November 11th, but also on Friday November 13th when we will be providing

Linda Stepp's meatloaf dinner, free to Veterans and their families. We want to also honor those who were left home, keeping the home fires burning, raising children and providing for the families while our military were protecting our country. I would also like to provide a beverage to our Veterans on their special day. Thank you for your service.

The other BIG news is that we will continue to do the Bob Jones Apple Cup Scholarship pizza party on the Friday after Thanksgiving. Please come down and enjoy yourself and support scholarships. As always I want to thank you for allowing me to be your Exalted Ruler. It has been some ride!

Greetings and Happy Holidays from the Secretary's office, this year is so different from any I have experienced due to Covid 19. We have worked hard to keep the Lodge open for our members, including offering outside seating when we were unable to gather inside.

In spite of the challenges I think we've managed to have some fun, raise some charitable \$\$\$, and enjoy some great meals in recent weeks.

We will be offering more Friday night dinners in November as per the bulletin, look forward to seeing you all. And please remember to help keep our lodge safe for all: Please wear a mask when you are not seated at a table, wash your hands and use the sanitizer when you enter the building.

I hope we can continue to see the Members come in and enjoy some camaraderie this winter! Thanks for your cooperation and hope to see you soon at "The 1292."
